Subject: Couple of things

1) I'll have a salient on our DW Directors' meeting, if I can get it done early this am;
2) I have an upcoming event to add to the salients, and to enter to ROCS; presentation to the National Drinking Water Advisory Council on 12/15, on source water protection re: HF and nutrients (separate presentations); we need to discuss;
3) We will apparently have a briefing for the Administrator next Friday on Dimock, and a pre-brief for Bob Sussman next week (Don't know when).

Sigh.--Vicky
